

Waxan lenahay maya kirada labakordhintah ee Malmö!

Maxaa dhacay?

Mulkiilayaasha kirobixiyalada Heimstaden, Willhem, Trianon, Rosengård Properties, Victoriahem, Josefssons Properties iyo Kanslihuset waxay rabaan inay kor u qaadaan mar labaad kirada sanadkan. Waxay rabaan inay kor u qaadaan kirada boqolkiiba laba laga bilaabo Luulyo 1, 2023.

Maxaa dhacaya hadda?

Kiradaada mar hore ayaa loo dejiyay 2023. Mar dambe lagama gorgortami doono. Ururka kiraystayaasha waxay rabaan kireystayashu inay ka noqdaan codsigooda haddii aysan sidaas yeelin, tani baa dhici kartaa:

- kireystayashu waxay joojiyaan gorgortanka waxayna tagaan guddiga kirada (nooc maxkamadeed). Guddiga kirada ayaa go'aan ka gaaraya kirada.

ama

- Kirobixiyuhu wuxuu isku dayaa inuu kordhiyo kiradaada gorgortan la'aan. kirobixiyuhu, tusaale ahaan, wuxuu soo diri karaa biil leh kiro sare. Ha bixin kirada sare ee cusub!

Tani waa waxa ay tahay inaad sameyso:

1. Bixi kiradii hore ee laga gorgortamay.
2. Ha ka welwelin. Lagama saari karo guriga.
3. U sheeg deriskaaga.
4. La xidhiidh Ururka Kiraystayaasha haddii aad caawimo u baahan tahay.
5. Wax badan ka sii akhri oo arag khariidad dhererka labanlaaban ee vagrudubbelhojning.nu

Waan diiday laba-kordhintaa!

...mana bixin doono kirada cusub ee
aan gorgortanka ahayn.

Sidan ayaan ku bixinaya kiradaydii
hore ee laga wada xaajooday.
