Is there a housing shortage in Danderyd?

Yes. According to the municipality itself, there is a housing shortage. Danderyd is growing quickly and demand for more housing is increasing. According to Region Stockholm, Danderyd must complete construction of **300** homes per year until 2030 in order to manage the housing shortage. The municipality's target is **85** new homes per year.

Continued construction and reasonable rental rates are required for everyone to afford a home.

On 13 September, you can take part in deciding which political parties will shape housing policy and make decisions about our homes. Your vote makes a difference.
