Is there a housing shortage in Upplands-Bro?

Yes. According to the municipality itself, there is a housing shortage. Upplands-Bro is growing quickly and demand for more housing is increasing. The municipality **has no target** for how much to build, but according to Region Stockholm, Upplands-Bro must complete construction of **300** homes per year until 2030 in order to manage the housing shortage.

Continued construction and reasonable rental rates are required for everyone to afford a home.
